

HIP-HOP GHAZAL

Gotta love us brown girls, munching on fat, swinging blue hips,
decked out in shells and splashes, Lawdie, bringing them woo hips.

As the jukebox teases, watch my sistas throat the heartbreak,
inhaling bass line, cracking backbone and singing thru hips.

Like something boneless, we glide silent, seeping 'tween floorboards,
wrapping around the hims, and *ooh wee*, clinging like glue hips.

Engines, grinding, rotating, smokin', gotta pull back some.
Natural minds are lost at the mere sight of swinging true hips.

Gotta love us girls, just struttin' down Chicago streets
killing the menfolk with a dose of that stinging view. Hips.

Crying 'bout getting old—Patricia, you need to get up off
what God gave you. Say a prayer and start slinging. Cue hips.
